

Local Young Churchmen's Program Given

The Young Churchmen's League of St. Andrew's Church program for May has included support of the Y.M.C.A. Camp Fund Baseball game between Hollywood and Oakland. Twenty-five members, with five adults, attended the game Friday, May 3, at Gilmore Field.

Sunday, May 6, the league chartered a Torrance Bus to attend the Annual Church School Mite Box Offering Rally Day service at St. Paul's Cathedral, Los Angeles. St. Andrew's rector, the Rev. Paul Moore Wheeler, was in charge of the service, being chairman of the Diocesan Department of Christian Education. The Girls' choir of St. Andrew's was in the procession and sang in the service.

Sunday, May 13, the Y.C.L. members will participate in a nation-wide observance of Episcopal Church young people in a National Corporate Service of Holy Communion. The service will be at 9:30 a. m.

The Long Beach Convocation meeting of the House of Young Churchmen of the Diocese of Los Angeles will be held Sunday, May 20th at Trinity Church, Orange. Fred Caretens of St. Andrew's is the convocation president and will preside over the meeting.

The group of St. Andrew's is now busy making plans to attend the annual sessions of Camp Stevens at Idyllwild Pines July 7 to 21st.

The Girls' choir has been chosen as one of the choirs of the diocese to participate in a diocesan choir camp to be held at Idyllwild Pines Meadow Camp, July 7 to 14th. The camp will be under the direction of the Department of Christian Education.

It is estimated that approximately 13 million bushels of asparagus is marketed annually in the United States.

Eddie Thompson Opening Realty Office In City

Eddie Thompson, popular young Torrance realty broker and insurance man, is opening an office in Torrance at 2453 Torrance Blvd., he announced this week.

Thompson received his realty license with a notary public commission, some weeks ago, but of late he has been managing the insurance and business opportunity office, together with the Ideal Ranch Market meat department for George Chapman, owner.

34,255 Veterans Approved For GI Education

Southern California veterans totaling 34,255, were approved in April for educational benefits under the Servicemen's Readjustment Act, the Los Angeles Regional Office of the Veterans Administration announced today.

The V. A. figures show 1,220 disabled veterans entered vocational rehabilitation training. More than 3,000 disabled veterans in the Los Angeles area are now in training as part of the rehabilitation program.

Other figures released today show a total of 50,114 disability pensions being paid in Southern California to veterans of World War I. Disability pensions are being paid to 24,816 World War I veterans.

In Southern California, the Veterans Administration received 941 loan applications in April.

Congress Action Requested For Disability Pay

Governor Warren has announced he had requested prompt action on the part of Congress to enable California to start payment of disability insurance as soon as possible by drawing on an employee contribution fund estimated at \$100,000,000.

In a letter to all members of Congress from California, the governor called attention to the recently enacted disability insurance law adopted by the California legislature, and pointed out payments can start as soon as Congress authorizes any state to withdraw employee contributions to the unemployment insurance fund for use in payment of disability benefits.

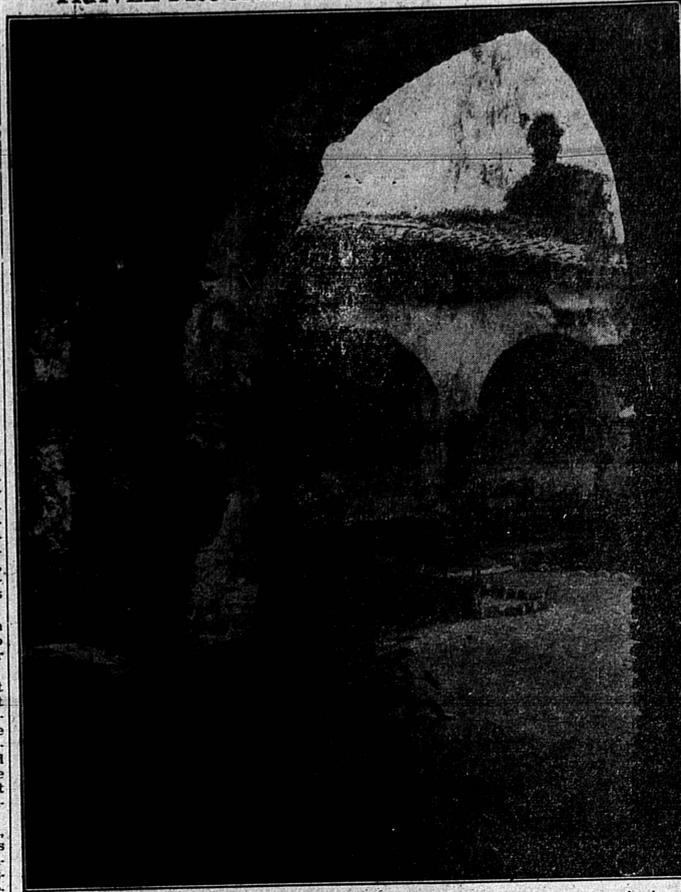

The governor's action followed a report from James G. Bryant, chairman of the California Employment Stabilization Commission, that the Social Security Board has no authority to allocate funds for payment of disability insurance, and that Congressional action for commencement of payments after May 21, 1946, when the disability insurance law goes into effect, is necessary.

Unless Congress takes such action, payments will be held up until May, 1947, a year after the effective date of the act.

"This new law is the most significant improvement yet made in our California Unemployment Insurance Act, since under its terms, millions of California workers will be protected for the first time against the hardships of unemployment caused by sickness and non-industrial injuries."

Congressman B. W. Gearhart, ranking member of the Ways and Means Committee, has indicated he will introduce the legislation as soon as Congress convenes.

TRAVEL PROGRAM FEATURES OLD MISSION

With tourists and vacationists free once again to take to the open road and travel as far as they wish, California's historic Missions are expected to attract a record number of visitors this year. This photograph of Mission San Juan Capistrano is one of a series of twenty-five full-color photographs of scenic views of the state which will be distributed to remind travelers of the beauty spots they should visit. The oil company plans to give away 20,000,000 copies of the photographs through its retail outlets.

Travel Promotion Program Of S.O. Co. Renewed With New Pictures

The first big post-war travel promotion program covering the entire West got under way Monday—May 6—when Standard of California and its subsidiaries began free distribution of 20,000,000 full-color "Scenic Views of the West."

In all, twenty-five views of top tourist attractions in thirteen Western states will be given away at the oil companies' retail outlets, a different view each week.

Interrupted because of the war, the companies' previous view programs in 1940 and 1941 were outstandingly successful in promoting travel.

The 9 by 12-inch prints, mounted on 12 by 15-inch mats, include the San Francisco-Oakland Bay bridge, Yosemite National Park, the old mining town of Columbia, Mount Shasta, Kings Canyon National Park, Mission San Juan Capistrano, California; Lake Tahoe, Nevada; Oregon coast; Olympic National Park; Mount St. Helens and Snoqualmie Falls, Washington; Boulder Peak, Idaho; Great Salt Lake, Utah; Walpi Indian Village and the Navajo Country, Arizona; Hawaiian Waters and Alaska Fishing Fleet; Acoma Water Hole, New Mexico; The Alamo, in San Antonio, Texas; Snowmass Lake, Colorado; Chimney Rock, Nebraska; Grand Teton National Park, Wyoming; Glacier National Park, Montana and Mount Revelstoke National Park, British Columbia.

With each picture as is a commentary on the scene, written by such widely known authors as Ernie Pyle, Gertrude Atherton, Jim Tully, Donald Culross Peattie, Irvin S. Cobb, Ernest Haycox, Joseph Henry Jackson, George R. Stewart, J. Frank Doble, Stewart Holbrook, Frank J. Taylor and Robert Ormond Case.

The photographs were chosen from thousands submitted. Among the noted cameramen whose pictures are listed in the series are Ansel Adams, John Kabe, Fred Bond, Ray Atkeson and Mike Roberts.

For convenience, special albums and photo-matlers will be made available to collectors, at a small cost.

Every picture will be distributed in each locality, with the distribution rotated weekly in 100 zones. If pictures are missed at one point, they can be picked up in an adjoining zone.

1200 ATTENDED ARKANSAS STATE PICNIC SUNDAY

More than 1200 former residents of Arkansas attended the Arkansas State picnic last Sunday in Banning Park, according to Tom E. Clark, president of the association and candidate for representative in Congress from this district.

Will Rogers, Jr., Rep. Ellis Patterson and others spoke. John Carpenter and the "Blind Rhythm Makers" entertained.

MORE INCOME

Milk provides more income to farmers in the nation than any other major farm product. In 1945 old "Bossy" brought a cash income to dairymen of well over three billion dollars.

DARBY WILL MAKE INSPECTION OF NATION'S BEACHES

Supervisor Raymond V. Darby; Mayor Ray E. Schafer of Santa Monica, and Stanley A. rector, will be the guests of Harvey Freuhauf, trailer manufacturer, on a ten-day tour of inspection of the beaches of the country from his private airplane.

Freuhauf is extremely interested in the development of the California beaches, and for that reason has arranged the tour so that the officials may view and possibly take advantage of the better points of the east coast beach development. After an inspection of the east coast they will also visit the beaches in Cuba.
